

## SWEET TREATS IN A JAR:

Last week, Grade 3 and 5 students at Winnipeg Mennonite Elementary and Middle Schools in Kirkfield Park prepared food for the Mennonite Central Committee's Food for All program.

Students had previously received more than 200 orders and collected cash donations and spent two days creating their culinary masterpieces. The event was expected to raise more than \$3,000. Grade 3 student Madeline Belows and teacher Heidi Braun joined in the fun.
